PRACTICE FIELD RULES AND REGULATIONS

ACCESS POLICY

1. Practice Field hours are as established by the Board of Directors from time to time, but in any event shall not extend beyond park curfew.
2. The District's Practice Fields are available to District residents only, who may reserve the Practice Fields for play or use by an organized non-profit sport association team or league. The sponsoring resident (person making the reservation) must complete the District's Application to Reserve District Recreational Facilities Other Than Pools and Release of Liability form. All players on a team or league using the fields must complete a Team Player Registration and Release of Liability form and the sponsoring resident must submit the completed forms for each team or league player at the time the reservation is requested.
3. Residents must be registered into and shown to be in "good standing" in the District's Database System in order to reserve the District's Practice Fields. An individual will be shown to be in "good standing" in the Database System if the monthly water/wastewater bills charged to the individual's residence have been timely paid.
4. No team or league or the team or its respective players or representatives may reserve the Practice Fields for more than 1.5 hours in a week. No player or other person affiliated with a team or league may make additional reservations for team or league use in order to circumvent this limitation.
5. The Practice Fields may not be reserved, whether formally or informally, or used by teams or leagues on Saturdays and Sundays; use of the Practice Fields are restricted to residential pick-up games and practices during that time period.
6. Reservation applications will be accepted in person or via email. Reservations cannot extend beyond park curfew. Reservations will be accepted for dates from January through June and July through December when the applicable open reservation period has been set and published by the District's General Manager. Reservation applications will be accepted until available fields/times are filled. If there is existing availability, additional reservations may be granted at the discretion of the District's General Manager. Written reservation confirmations will be issued to the sponsoring resident. Residents with confirmed reservations should have their confirmation in their possession at all times when using the Practice Fields.
7. The District's General Manager will maintain a reservation calendar of time slots allocated for the Practice Fields. A reservation calendar noting weekly reservations will be posted at the Practice Fields and at the Block House Creek Information Center kiosk located at the Walker House, and online at the District's website www.blockhousemudtx.gov.
8. No team, league individual or group without a reservation may use or occupy the Practice Fields if another team, league, individual or group with a reservation is waiting to use the Practice Fields, or for more than 1.5 hours per day if another team, league, individual or group is waiting to use the Practice Fields.

9. The Practice Fields may, at the discretion of the District's General Manager, be closed from time to time due to field conditions or other factors. The District's General Manager will (i) notify the Parks Subcommittee by email, text, or telephone call; (ii) post notice of closure of the Practice Fields at the Practice Fields, notifying the residents of the reason for and duration of the closure, and stating when the Practice Fields are expected to re-open; and (iii) post the Practice Fields closure on the District's website and Facebook page. No person or team may enter the Practice Fields for practice or play when notice of closure is posted. Patrols should be mindful of the condition of the Practice Fields and should not use the Practice Fields if use could result in damage to the Practice Fields or injury to players.
10. Changes to reservations are subject to availability.

TEAM AND LEAGUE RESPONSIBILITIES

1. Prior to any team or league play taking place, the resident making the reservation on its behalf will be provided with the Practice Field rules and regulations by the District's General Manager.
2. The resident making the reservation must require all vehicles of that team's or league's coaches, players and guests to be parked within the parking lot or a designated parking area. If any individual affiliated with a team or league violates this rule, a warning will be issued to the resident making the reservation on behalf of the team or league. If any individual affiliated with that team or league violates these parking requirements again, the team or league will be subject to losing its reservation privileges for that season.
3. Each resident and/or coach holding a reservation must remain at the Practice Fields during the entire reservation period and will be responsible for the following:
