

Bulky Item Curbside Pickup Guidelines

Household waste items that were previously accepted at the Large Item Trash Days at Jumano Park will be picked up at your curb. Acceptable items include: stoves, hot water heaters, washing machines, clothes dryers, furniture, toilets, light fixtures, sinks, and other similar household waste materials that do not contain coolant or other hazardous materials, and fence materials that are cut in half and securely tied together forming an easily handled bundle not exceeding four feet (4') in length, two feet (2') in height, and not weighing more than 30 pounds.

Exclusions also remain the same. ***Construction debris, concrete, used motor oil, tires, batteries, hazardous materials, appliances containing Freon or other hazardous materials, etc. will not be picked up.***

If you are unsure about specific items that you need to dispose of, please call TDS at **512-421-1340**.
